THE MENU

WELCOME TO LA CHAPELLE,
a Maison Faber Lascombes restaurant

La Chapelle is a real living space, like a beautiful family home in the country, set in the heart of the grounds of Château Guiraud, a 1^{er} Grand Cru Classé in the 1855 classification.

We welcome you to our country home surrounded by vines, trees and wild grasses.

We are committed to working with the finest products from Southwest France, sourced from carefully selected suppliers. Our dishes are designed with seasonality in mind. Some vegetables and herbs are grown in the Château's kitchen garden.

Our aim: to offer local, responsible cuisine that is still indulgent and generous.
